President's Piece: I am happy to report that our first annual National Quilting Day Celebration was a success. Thank you to all who helped with setup on Friday and worked on Saturday. Our goal was to collaborate with the CLC, to invite people who are interested in quilting to show them how much we enjoy our craft and maybe teach them a little bit about quilting. I think we accomplished our goal and then some. We had a lot of positive feedback from those who attended. Please take time to read the comments in the attachment to the newsletter email. Printed copies are available. Special thanks to Cheryl Coons and her committee: Doris Goins, Marilyn Peters, Becky Clark and Stacy Stump. I am looking forward to next year.
