Program for July 26 by Beth Spaw:

Beth will share how to transform a vintage train case into your own personalized project tote. It would be good for traveling with quilt projects or keeping things organized. It can be created with fabrics you adore, Mod Podge, a brush, scissors, and sand paper.

CLC Sewing Center

We are looking for anyone from our guild to teach some classes. Share your skills! See Cheryl or Doris if interested.

Short Cut to Meeting

Use door #13 to enter Room B from the Sheridan St lot.

Roll Call:

Have you taken a trip or had company this summer? Were quilts involved on the trip or with the company?

Our new secretary is Becky Clark. We thank Althea for her service the past several years. She will be helping Becky in this transition period.

Program for August 23 by Caroline North:

Caroline will be demonstrating Karen Montgomery's Quick Trim and Circle Ruler. This specialty ruler has very practical uses, one of which is the great perk of being able to cut multiple sizes of circles. It is a good basic ruler to have in your tool kit.

FUN FACTS

Quilting can date back to 3400 BC. The oldest quilt around today is The Tristan Quilt dated around 1360 to 1400. (Top 10 Interesting Quilt Facts from the Craftsy blog.)

The world's largest quilt is the AIDS Memorial quilt. (Fun Facts About The Wide And Wonderful World Of Quilting by 24 Blocks.)

New Committee leaders needed for 2023: Sara Henry has agreed to be nominated for vice president. We are looking for a program chairman.

Fair Week: Thank you to all who worked and brought quilts for the Floral Hall display and items for the silent raffle. Jo Atz was pleased with our donations. A new method of hanging quilts using peg hooks on the back wall seemed to be helpful. We especially thank Jean Replogle for taking over for Barb Miller. Some of the people who helped were Althea Clugston, Becky Clark, Dan Replogle, Garth and Cheryl Coons, Barb Miller, Stacy Stump. We always get compliments on our display!
