President's Piece

Summer is almost over and already we need to start preparing for next year! Several very important Noble Nimble Thimble activities are coming up. These include National Quilting Day, our 2024 Challenge and our Annual Quilt Show and Market. I am grateful to the members who work very hard to make these activities successful and represent our club well. Happily, we have two people who are going to manage the 2024 challenge. Now, we need a chairperson for National Quilting Day and one for the Quilt show. I strongly encourage you to consider stepping up and taking a turn at chairing one of these events - we have a lot of good people with experience who will guide and support you. Please think seriously about this and let me know if you can help.

Julie

2024 Quilt Show & Market

We will be forming the committee for next year's show. Please let someone on the board know if you are willing to participate. Marilyn Peters and Cheryl Coons have been working on a quilt for the raffle.

Thank you to all who brought quilts to show or donate in July.
