*Happy Fall!*

*Things are starting to happen! Nancy Reed and Cathy Putman will be presenting plans for our April 2024 challenge project tonight. We will have a sign-up sheet for the National Quilting Day committee. Please add your name to the list if you would like to help with planning.*

*Janet Mangan has agreed to be chairperson for the Quilt Show! Fun Saturday is coming up on October 28 at the public library, 813 E. Main St., Albion. Enter in back on the lower level. Bring your sewing machine, a project and a dish to pass. If you want a new project, I have attached information in the email on a scrap quilt that is FULL of color and easy to do.*

*Thank you to Joyce for showing us the 6 hour quilt last month. I started one for my great-nephew and it really is easy and quick, as long as you remember to put the fabric together properly for each round (I had to rip out and resew one side - lesson learned!). Happy shopping tonight at the member garage sale!*

*Julie*
