President's Piece:

Tonight we welcome the Classic City Button Club. They will do their presentation at 7pm, after which we'll have our business meeting and show and tell.

We are almost to the end of the year, with only one meeting left after tonight. It's not too early to think about 2024. We also still need a Vice President and someone to plan lessons/speakers/activities.

Meanwhile, I am looking for ideas for our lessons and Fun Saturday. Happy fall everyone!
