*Noble Nimble Thimbles will be meeting at the Community Learning Center in Kendallville for the rest of this year and for 2021. The "old cafeteria" has room over 200 people to meet under Noble County Health guidelines. Parking is in the back of the building and the entrance is on the west side, off Riley Street. Our room is on the left, just down the hall. **Masks are required**, and we will be sitting at chairs and tables at a safe distance.*

Please stay home if you feel safer being away from group meetings. We will be in touch through our newsletter and our Facebook group page.

Directions: The address is 401 E. Diamond St., Kendallville. If you are coming south on Highway 3, come up Main Street and turn right at the second light on Diamond St. (Hite Funeral Home is on that corner.) Turn left on Riley Street to go the parking lot. If you are coming in on Highway 6, turn south on Riley Street. (Community State Bank is on that corner.) Continue to the parking lot.

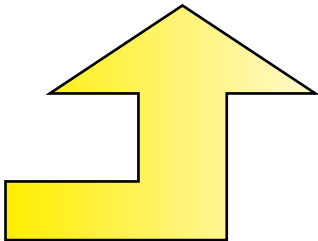

SEWING MACHINE DONATION

The check from our guild was delivered to Julia Tipton at the CLC the day after our October meeting. Edwards gave her a great deal on a new machine that was delivered last week for the Community Learning Center.

Marilyn Peters is keeping any donations for further machines and/or sewing supplies in a temporary fund. So if you still want to donate, you can send or bring money to Marilyn for the next several months. We collected \$93 from members at the October meeting. How great is that!

NEEDED

It's that time again! Positions are available for the board-especially president and vice president. If you are interested, please contact Cheryl Coons.

Note from the Editor:

I recently attended a retreat at Quiltville Inn in Virginia, which is sponsored by Bonnie Hunter (the scrap queen!). I'll be sharing more about this at the November meeting.
