National Quilting Day, March 18, 2023

9:00 to 12:00 noon, Rooms A & B, and Sewing Room.

The 3 aspects of the celebration are: hanging quilts, showing your quilting skills, and/or doing a service. Plans so far are to use Room A for quilt displays, make-and-take, and demonstrations, with a bed turning at 10:30. Room B may be used for speakers. The sewing room on the 2nd floor may be used for people who want to learn quilting on a sewing machine or to do small projects. A few of the charity quilts that are made in the sewing center on 3rd Saturdays will also be on display.
